

# Rainmakers GSLC Campout

Anderson Cove Campground @ Pineview Reservoir  
with beach, swimming, boating, fishing and The Ogden Valley Hot Air Balloon Festival !

August 13 – 15, 2010

We have the huge Ashley Group site which is directly next to the beach!

**REGISTRATION: \$25 per family**

There are 20 on-site parking spaces available, which will be reserved for the first 20 registrants. After 20, you will be required to park in the main parking lot.

**Additional fees:**

**\$25** if you need more than one on-site parking space. For example, for an extra wide RV. You must be one of the first 20 registrations.

**\$ 5** if you will be arriving in more than 1 vehicle. The additional car will need to be parked in the main parking lot. This includes people who are just coming up for Saturday.

**Check-in time is 2pm on Friday and check-out time is 1pm on Sunday.**

**MEALS:** Church will provide propane grills, coffee and hot chocolate. Campers will need to provide their own meals, plates, utensils, etc. Saturday's dinner will be a potluck. Each family is asked to contribute a salad, side or dessert to share, plus their own meat dish.

**OTHER:**

This year the campout is at the same time as the Ogden Valley Hot Air Balloon Festival. See <http://www.ogdenvalleyballoonfestival.com/> for more details.

Since the campout is later in the summer than usual, there will be more beach to hang out and play on.
