

Associate Pastor Position:

Good Shepherd Lutheran Church in Sandy, Utah is a prayer-driven, missions-oriented congregation. We are a very active, growing church that has been in Sandy, Utah for 55 years. You would be joining an excellent ministry and pastoral staff, that has fun while serving the community and our members.

As our third pastor, you would oversee our team of three family life ministers and encourage spiritual growth for families with children as well as young adults. Good Shepherd has a fabulous daycare and preschool, active scouting troops, and exciting community oriented activities, which continually introduce new families to our church.

Just over 50% of our congregational members come from a Lutheran background. Being in Utah, about 15% of our church family are from a Mormon background. This makes for a great challenge as you minister and lead our church in Lutheran theology.

Good Shepherd is a member of the LCMC (Lutheran Churches in Mission for Christ) which requires those who pastor LCMC churches to have a Masters of Divinity degree or equivalent. Good Shepherd has just completed a congregational survey which established that we are also looking for an experienced pastor.

As you prayerfully consider whether or not to apply for this full-time position, please go to our [website](#) and check out who we are. Thank you for taking the time to consider Good Shepherd as the next place you might serve God's children.
