Love Well

Come and See!

Pastor Susan: February 4, 2018

- I. Who is the Woman!
 - a. We don't know much about her.
 - b. Why is she important?

- II. In the noonday sun (John 4:6)
 - a. Jesus meets her just where she is. (vs 7)
 - b. Jesus offers a new way. (vs 10-15)

- III. "Come and you will see." (John 4:25-29)
 - a. Her response to God's love. (vs 28-29)
 - b. The response of the town. (vs 30-42)

- IV. Our response
 - a. If not at a well, then where did Jesus find you?
 - b. What was your initial response to the offer of His love?

- V. Digging Deeper
 - a. Psalm 42:2 describes the psalmist's thirst for God. Do you have a spiritual thirst that only God can quench?
 - b. Despite the woman's five-husband past and immoral present, her future changed forever because of Christ. If you have a sinful history, what hope can you draw from her story and God promise spoken of in Titus 3:3-7?
 - c. Like the Samaritan woman, Peter and John were compelled to share the good news (Acts 4:19-20). What have you seen and heard about Jesus that you're ready to share with others?
